I am a retired Product Scheduler. I have been working as a contract real-bearded Santa Claus for Cherry Hill Photos out of New Jersey since 1999. I have done parties, Santa parades, breakfast with Santa, news articles and photos, New Albany Country Club events, private parties, pet photos, and tree lighting events and children's photos with Santa at the mall.

I was featured in an article in the Columbus Business First paper in 2002 covering unusual professions.

I was pictured on a fire truck on the front page of the Castle Rock Newspaper in Colorado for a children's parade for Park Meadows Mall.

I was shown briefly on TV news reports while in Columbus, Ohio and in Denver, Colorado.

I was in a video for the Avalanche Hockey team and the Denver Nuggets basketball games advertising the Park Meadows Mall while in Colorado.

The following is my history of where I have worked as a mall Santa and the locations:

**LOCATION SUMMARY:**

Kenwood Towne Center - Cincinnati, Ohio – 1999

Tuttle Crossing - Dublin, Ohio – 2000-2005

Great Northern Mall - Cleveland, Ohio - 2006

Park Meadows Mall - Denver, Colorado – 2007-2009

Dulles Towne Center - Dulles, Virginia – 2010-2020

I am providing a few pictures for your review:
