### ATHLETICS SUPPLEMENT

I have been around athletics (especially football) my whole. I have played CYO, Junior High, High School College and Minor Profession Football. I quit playing Minor Professional Football at age 40. I played basketball in three different 35 and older leagues until I was 60. I have been inducted into the follow Football Halls of Fame, The Bedford High School Hall of Fame, Cleveland Falcons Hall of Fame, Ohio Northern University Hall of Fame and Minor Pro Football Hall of Fame. I have also coached football at several levels, CYO, College and Minor Professional. The two years that I coached the Minor Professional team, we won the league championship. I was named Coach of the Year both years. In the playoffs we finished 7<sup>th</sup> and then 3<sup>rd</sup> in the Nation out of 200 teams.
